STUDENTS

"With you I always knew that just 45 minutes of tutoring would explain a week of being completely lost in class. Thank you so much for everything you do."

"I can never thank you enough for your help throughout my years at Broughton. My math skills excelled because of your help and I really enjoy math, partly because of the way you taught me."

"It is certain that I wouldn't have made it through many classes without your program. I thank you for your services for I know they help so many people each year."

"Thank you so much for all of your help these past years. I made an A in Calculus and a 4 on the AP Calculus AB Exam. Thanks again for all of your help."

PARENTS

"Thank you so much for all the terrific guidance you have shared with my children in mathematics through the year. You are extremely special and we are so grateful."

"I've never seen either of them so confident and comfortable with math! They just think you're the greatest!"

"We want you to know how much your help means to [our children]. They're both so much more confident than they'd otherwise be."

"He has really 'turned the corner,' and I'm sure you are a big reason for that."

"We will continue to refer you to our friends!"

EDUCATIONAL CONSULTING

LEARN. EXCEL. SUCCEED.

ABOUT US

Sparrow Educational Consulting, LLC was formed in 2002 to meet the unique educational needs of our clients by providing a personal approach to learning. Our mission is to enable students to meet academic challenges with confidence. We provide individualized instruction for students

in grades 8-12,

with an emphasis

on mathematics.

Each tutoring session is planned according to student need, learning style, and specific class requirements.

Our tutors have extensive background and knowledge in education as well as the subject matter in which they teach. They are able to take the confusion out of math, explaining concepts in terms that make sense to students.

Sparrow Educational Consulting was founded by Meredith Sparrow Etheridge, who has over 15 years of experience in education and tutoring and is a former Wake County classroom teacher. She received her Bachelor of Arts in Psychology from the University of North Carolina at Chapel Hill and earned her Master of Arts in Education from Columbia University.
